

# 10th Annual Research Retreat

April 14 & 15, 2016

Free of charge and open to the public

The 10th Annual Research Retreat will feature a Poster Session on Thursday April 14, and a Keynote/Symposium Session on Friday, April 15. We are pleased to announce our distinguished Keynote speaker will be [Lewis A. Lipsitz, MD](#), Vice President for Academic Medicine and Irving and Edyth S. Usen and Family Director, Institute for Aging Research, Hebrew SeniorLike Chief, Division of Gerontology, Beth Israel Deaconess medical Center Professor of Medicine, Harvard Medical School. Dr. Lipsitz has a longstanding interest in

abnormal blood pressure regulation and its relationship to the development of falls and syncope in the elderly. Dr. Lipsitz's keynote address will be followed by a series of symposia that will highlight "Long Term Care Policy and Practice."

## LOCATION

The poster session will be located in the atrium of the University Park Marriott Hotel at 480 Wakara Way from 3:00pm-6:00pm. The Keynote/Symposium Session will be located at the Eccles Human Genetics Building (EIHG) at 15 North 2030 East in the 1<sup>st</sup> Floor Auditorium from 7:30am-12:00pm.

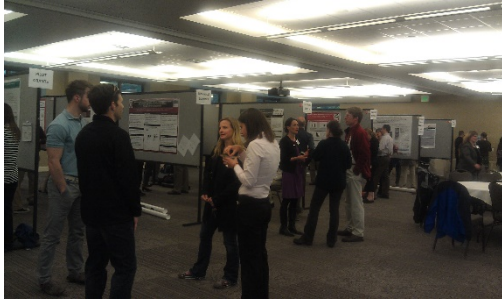

## PARKING

Parking is free at the University Marriott and the parking garage down from the Genetics Building (accessed from South Medical Drive) will be allowed during the hours of our event. However, space is very limited. We encourage you to please walk, take TRAX, carpool or use the free campus shuttle.
